~ Queer Taboo ~

LGBTQIA+ card game

CONTENTS and PRACTICALS

The game consists of 303 taboo cards in five categories: LGBTQIA+ terminology (53), LGBTQIA+ culture (51), relationships (69), sex (65) and politics (58), 12 extra empty cards and one game board. Some of the culture cards are specific for the Slovene queer environment. It is suitable for min. 4 people of 16 years old and up.

GAME RULES

The **goal** is to get your teammates to guess the word you are describing, but there's a list of words you can't say (taboo words). You'll want to divide teams evenly, get the cards ready, and have a timer. Each card you get right is a point for your team, and all of the cards your skip, or cards on which you said words that were taboo are a point for the other team.

Gamers should be divided in at least 2 **teams**!! (Or more, it depends on how many people are present)

Draw one card at a time. Make sure no one on your team can see the card you have drawn. If one of your teammates see it, they have to be out of play for the current round.

Start the timer. Each player has 1 minute to get their teammates to guess as many words as they can. One guessed word is one point.

The card you are looking at when the timer runs out is not scored for anyone and should be discarded.

Give your teammates clues about the guess-word. For instance, if the guess-word is “*rainbow*,” you might give clues like “*appearance in the sky that is often connected to our community*”, but you mustn't use the taboo words: “*symbol*”, “*LGBTQIA+*”, “*colour*”, “*sun*”, “*weather*”. You score points when your teammates guess the word.

- If you get to a word that you don't know, or your teammates are having a hard time guessing it, you can skip the card. However, if you skip a card, that point goes to the other team.
- You can't use any part of the word or any of the taboo words that are listed. Example: if the guess-word is “*transgender*”, then you can't use “*trans*” or “*gender*” within any of your clues.
- When you will find the acronym “*LGBTQIA+*” listed as a taboo word, it will not be allowed to say neither the acronym itself nor the meaning of each letter: “*lesbian*”, “*gay*”, “*bisexual*”, and so on...
- Your teammates must guess the exact word, so if they get it close, or get part of the word, you need to keep giving them clues until they get it exactly right.

Avoid the taboo words - You'll lose a point if you say a taboo word, so it's important to be careful.

Have an opponent watch and listen for the taboo words - Each round, one player on the non-guessing team is a watchdog making sure you don't use any of the taboo words. Take turns having each player on each team be the one who controls.

Score the round - The clue-giving team gets one point for all of the cards that were guessed correctly. The opponents get one point for each card discarded (both skipped cards and any cards the clue-giver goes wrong mentioning a taboo word).

CREDITS

Queer Taboo is an LGBTQIA+ focused board game intended to be used for entertainment and educational purposes. It was created in 2019 through the association Društvo DIH (Slovenia) and can be shared openly provided that acknowledgement and notice is given to the authors and/or Društvo DIH (Facebook: Društvo DIH, Instagram: @društvodih). The team behind this game: Anna Rossi, Michaela Lennerová, Iva van Hoek, Ela Kranjc.
